Money Matters

Give Your Plane Saver Account a Spring Clean!

Spring-Cleaning doesn't stop in the home, you can also make some easy changes to organise your Plane Saver Account.

Updating your beneficiary information with the credit union may seem bothersome, but it is one of the most important, financial decisions you will make.

And where beneficiary information is outdated or missing, it can lead to undesirable results for surviving relatives, including delays in determining or disbursing funds to your loved ones.

Imagine sacrificing to save a generous nest egg and having your loved ones bypassed due to incorrect information within your Plane Saver account.

Please protect your loved ones and take a few minutes to ensure your current beneficiary is accurate and up-to-date.

To update your beneficiary information details. Simply login to your Plane Saver account and access our Digital Forms/'Next of Kin Information'.

Savers' Scoop

Plane Saver: Helping Members Make Lifetime Connections!

When Paul joined Plane Saver Credit Union in May 2017, little did he know, it would be the first step towards a life changing journey to meet the daughter he never knew he had.

An Armed Services Veteran, Paul was researching his ancestry and heritage, using various online Genealogy DNA sources, when one day, he stumbled upon his daughter.

Paul made contact with his daughter online, through the site, who was also researching her heritage and ancestry. After sometime communicating online, Paul and his daughter decided that they should meet, in person, but she lived abroad, so Paul turned to Plane Saver for help.

Paul was able to secure a Flexi Credit account that enabled him to pay his travel and accommodation costs and also to consolidate his debts into a single manageable payment.

Paul flew to Norway, for a long weekend, to meet his daughter for the first time, and in time to celebrate her birthday. On his return to the UK, Paul came into our office to personally thank the Plane Saver Team and had this to say.

"Thank you so much to Plane Saver for helping me to secure and book this trip, it really wouldn't have been possible without your help."

"It means so much to me that you were able to provide me with the credit I needed," he added, praising the quick turnaround of his Flexi Credit application.

Paul is looking forward to making up for lost time with his new family.

Plane Saver would like to thank Paul for sharing his amazing story with us and our members.
