

Plane Talk

Welcome to this month's issue of Plane Talk.

Issue 03 / April 2019

Coming soon...

First Defence Finance

Plane Saver Credit Union is set to make positive changes in military lives with our launch of First Defence Finance.

To be officially unveiled in May, First Defence Finance will offer members of the armed forces solutions to improve their financial wellbeing, including a full range of savings, loans and financial education products.

In 2015, Plane Saver was one of three credit unions selected by the Ministry of Defence to provide financial services to the military, veterans and their family members as part of the Joining Forces

FIRST DEFENCE FINANCE
Serving our military family

initiative, established to address rising debt among service personnel.

A decision was taken by the Board of Directors to craft the new brand as part of our commitment to provide affordable financial services to meet the evolving needs of military personnel. This change, however, will not impact the high levels of service our Plane Saver members currently enjoy.

If you are serving with the armed forces or a veteran, our mission is to serve you. Call us at 0208 607 5020 for more information.

Friends of Plane Saver
LOTTERY

| Member Number | Prize | Value |
|------------------|-------|--------|
| Member no. 10452 | 1st | £1,000 |
| Member no. 5937 | 2nd | £500 |
| Member no. 3157 | 3rd | £250 |

Mobile App Makeover

To make managing your money easier we've given our new mobile app a makeover.

Download the app now to enjoy an improved design which will make it easier to check account balances, transfer funds and monitor transactions on the go. The update is available on Google Play and the App Store or download now: [Apple](#) or [Android](#)

Please note, while user sign-in details will not change, you will need to re-enter your fingerprint or face ID so have your membership number and password ready before downloading the update.

Savers' Scoop

Start a nest egg for your children

We all aim to give our children the best start in life.

Most parents provide a good education and ensure their children are healthy, but often important lessons such as budgeting, smart spending and saving are overlooked.

Teaching your children the value of saving is a vital step in developing the financial skills they will need for adult life. Starting a savings account for your child has many benefits and with a Plane Saver Junior account you can:

- › Save directly from your pay for university fees or a first car
- › Teach your children about being responsible with money
- › See your contributions grow with annual dividends
- › Deposit money your child receives as gifts
- › Assign Child Benefit payments to the account

Start a nest egg for your child today!

Member Feedback

"I love that my savings come right out of my wages before they hit the bank! You don't even notice the money leaving as your balance continues to rise through what feels like no effort!"

Lucy., Airline industry

Did you know?

By saving as little as £25 a month, in 10 years your child can have a £3,000 nest egg. We also top this up with an annual dividend payment which will add to the nest egg.

Why delay? [Open a Junior Saver Account today!](#)
