

BA and Plane Saver: The Sweetest of Partners

Bespoke Card & Commemorative Donut Delivery to BA

To celebrate British Airways' centenary, Plane Saver Credit Union surprised the staff at the airline's head office with a delectable delivery of 100 Krispy Kreme donuts.

The specially commissioned treats were accompanied by bespoke cards celebrating the airline's centenary and the relationship between the two organisations.

Spanning 26 years, the partnership between Plane Saver and British Airways started when the credit union was birthed by a group of the airline's engineers. This foundation has driven rapid growth for the credit union. Almost half of Plane Savers' 14,000 members work for BA. Several of the airline's employees also hold positions of influence within the credit union, including the post of Chairman.

With the support of BA, Plane Saver is now one of the largest credit unions in the UK; inspired to empower all our members.

To all our British Airways members who participate in the monthly FOPS lottery, thank you for helping support worthy causes.

In 2018, the FOPS Committee was commissioned to deliver a monthly lottery draw for members, with profits donated to various charities.

With our members' support, we have been able to provide funding to several organisations, including the BA Apprentice Graduation Event, Alliance Dance Unit, Flying Start, the Royal British Legion, and Deaf Champions League.

Congratulations BA!
