Recent Member Feedback

We have been working hard to support our members during the COVID-19 pandemic. We love hearing member feedback as it helps us to improve. Here are just a few of the comments we have had.

Without this help, my ability to provide for my family would have been a struggle and for that I am extremely grateful for the empathy shown during these unprecedented times. I have always been grateful to Plane saver over the years as they have always delivered in my hour of need.

I'm shaking, you have no idea what problems I was in, you sent me a really nice email. I couldn't believe it. I'm over the moon. Is it a true email? It is the only bit of luck I have ever had.

I have been with plane saver from the very beginning. I wasn't the greatest saver in the world until I started using you, I managed to save a substantial amount for my lovely house and had many good holidays and cars which plane savers have helped with.

Send us your story. Email us at info@planesaver.co.uk and let us know your thoughts.
